Sidetrade Financials Certification Program for Users
Empower Yourself

Our training specialists working within our Services team have built a complimentary Certification Program dedicated to Sidetrade Financials users.

Users via this scheme can test their knowledge and gain individual recognition.

Built for Everyone

Users are tested according to their profile and a certificate will be delivered to acknowledge this milestone.

User Base Profile Certification

System Admin	For users managing the system and users.
Credit Manager	For users managing the invoices and payment terms.
Cash Collector	For users managing the payment collection activities.

Flexible Learning Program

The assessment is available 24/7 via an online and secured portal. You can enrol to test your knowledge at your convenience. You will be notified instantly of your results and you will receive a certificate. If you do not pass, you can get access to additional training materials and resources from Sidetrade. We recommend our users to reach out to their manager before enrolling.
